# Testimonials

## Lisa and Blaire

“We cannot recommend the City Chambers enough as a wedding venue. We had originally booked a massive wedding at a castle but quickly realised that it wasn’t us and we wanted something much more intimate with our close family and friends. The City Chambers had a number of options which suited us and was so easy to book and arrange. We loved the fact we could tailor the ceremony to what we were comfortable with and Elizabeth the registrar phoned us a few days before to go through everything which really helped put our minds at ease and reduce any anxiety for the day”.

## Emma and Megan

“Our Registrar was E McRoberts and she made us feel so welcome and at ease. She even chose her wedding song as our aisle walk and it was perfect.

Everything was amazing, from the interior decor to the exterior. The ladies were amazing with us and so patient, We can’t thank them enough for being part of our wedding.  
We couldn’t have chosen a more perfect venue for our special day”.

## Elizabeth and Steven

“I want to thank the events team and the catering team so much for all your help in the coordination of my wedding! Everything went amazingly well that day and I cannot express how appreciative we are for everything you guys did! From the minute we arrived until the end you took care of everything. All our guests had open mouths when they entered the venue, they couldn’t believe how lovely the City Chambers is. I totally recommend this venue to be used for weddings.”
